

Million-Member Mobilization for the Employee Free Choice Act

With your help, our unions will present the new president and Congress with 1 million signatures urging them to enact the Employee Free Choice Act. Add your name now.

The Employee Free Choice Act will ensure workers can form unions and bargain for a better life by:

1. Strengthening penalties for companies that coerce or intimidate employees trying to form unions and bargain,
2. Establishing mediation and binding arbitration when the employer and workers cannot agree on a first contract and
3. Enabling employees to form unions when a majority signs authorization cards.

Our Goal: 1 million signatures urging the new president and Congress to enact the Employee Free Choice Act.

To: The New President and Congress

I urge you to enact the Employee Free Choice Act immediately.

This crucial legislation will protect workers' freedom to choose a union and bargain, without management intimidation. Allowing more workers to freely join unions and bargain with their employers will help rebuild the middle class by expanding health care, improving retirement security and raising the standard of living for America's working families. My bargaining rights are worth working for and voting for!
