Who Is InfoArmor?

• **InfoArmor® provides industry-leading solutions** for member identity protection and advanced threat intelligence to help organizations protect their most valuable assets. From enterprise to member, InfoArmor redefines how organizations combat an ever-changing cyber threat landscape.
Common human circumstances

The sharing of personal data is now a fact of life

- Work requires personal information
- Relationships built through machines
- Sharing more data in more ways every day
New fraud victims every 2 seconds

15.4M Victims in the U.S. in 2016

$16B Lost to fraud in 2016

100M Hours spent by fraud victims

No one is immune
ID Theft vs. Fraud
Identity theft-as-a-service: $7

Connected devices worldwide: 8.4B

Phishing emails are opened: 1/3

Phishing emails carried malware: 90%

Identity theft originated in the workplace: 1/2

Annual increase in data breaches: 40%

Extorted from Ransomware: $1B
OPEIU Identity Theft Member Benefits
Full Service Remediation
What to expect from our certified Customer Care and Resolution team:

A **one-on-one relationship** with a Privacy Advocate® that will manage your restoration case from start to finish, helping you save time, money and stress.

**Full identity restoration**, including investigating, confirming and resolving fraudulent activity including known, unknown and potentially complicated sources of identity theft.

**Guidance, completion and copies of all forms** including documentation, correspondence and letters, allowing you to rest easy knowing a professional is working on your behalf.

**Contact, follow up and escalation of issues on your behalf** with involved agencies and institutions so you can focus on more important things instead of being on hold.
Digital Identity
This interactive, easy-to-read report not only summarizes what a deep Internet search uncovered, but also offers tangible value while InfoArmor monitors the underground economy.

**Review your digital footprint** across websites, social media and online directories with an easy to read snapshot of your exposed information online.

**Secure your personal information online** through actionable tips contained in your personal Privacy Grade.

**Monitor and take control of your online identity** because we dig deeper than a typical search engine to help uncover items that the general public can’t find.

**Discover exposed family member information** so that you can better protect your digital family tree from falling into the wrong hands.
InfoArmor internet surveillance continuously monitors the underground economy to uncover compromised, sensitive information including:

- Malicious command & control networks
- Black market forums
- Known compromised machines & servers
- Phishing networks
- Exploited websites

What to do if you’re a victim of identity theft
What Happens if I Become a Victim of Identity Theft?

If you become a victim of identity theft, your union, OPEIU, has paid for you to receive all features for PrivacyArmor listed below. You will continue to receive Privacy Advocate Remediation, Digital Identity and Internet Surveillance in your service package.

Always Available 24/7
InfoArmor’s strength is combining personalized customer care with innovative identity monitoring technology. When you contact InfoArmor with a question or concern, your call is handled by one of our specially trained and certified Privacy Advocates.

Identity Monitoring
We monitor identities to uncover identity fraud at its inception. With this feature more fraud is detected sooner, including unauthorized account access, fund transfers and password resets*.

WalletArmor
This secure, online document repository makes lost wallet replacement quick and easy. Using state-of-the-art technology, we now include real-time card monitoring of the Underground Internet.

$1,000,000 Identity Theft Insurance Policy
If you are a victim of fraud, we will reimburse your out of pocket costs to reinforce your financial security. **

Solicitation Reduction
Guidance on how to limit exposure to fraud while reducing annoying calls, mail, and pre-approved credit offers.

High Risk Transaction Alerts
Receive alerts when someone has completed or attempted a transaction that required authentication questions to be answered.
